**LOA: 41'**

**Class/Type: Dickerson 41 Cutter**

**Builder: Dickerson Yachts**

**Designer: Roger MacAlleer**

**Launch Date: 1968**

**Skipper: Peter Oetker**

Bill Dickerson made mahogany-planked boats out of his backyard on Church Creek near Cambridge, Maryland beginning in 1946 - everything from compact daysailers to a 58' schooner. He quickly became known as a builder of sturdy boats with clean lines at a reasonable cost. *VIGNETTE* is one of Dickerson's most popular boats, a 41' cutter rig.
