LOA: 28'

Class/Type: Rozinante 28 ketch

Builder: □

Designer: L. Francis Herreshoff

Launch Date: 1962

Skipper: Paul Miller

HONALEE is a fine example of L. Francis Herreshoff's popular small cruising boat, one of the most admired boats of all time. Based on a canoe hull, she is intended to be rowed with the wind is lacking, although with her relatively light displacement and large rig, she can move spritely in light air.
