

Video. About 3 minutes.

and the AC72 catamaran sailing on the water, showing the hulls and the mast. The image is a composite of five panels: a point-of-view shot from the AC72 foiling catamaran, a 3D visualization of the foil's pressure distribution, a 3D model of the foil with a grid overlay, a 3D model of the foil with a grid overlay, and a photograph of the AC72 catamaran sailing on the water.
